Luciano Sorrentino v. Scientific Spinal, Ltd., et al.
C.A. No. JFM-96-406

Dear Clerk:

Rick Barnes and Charlie Goodell of our office have recently received pleadings in the above matters. Previously, we have represented both Pfizer Inc. and Howmedica Inc. in litigation involving pedicle screws. However, our clients are no longer Defendants in either of the above two pieces of litigation. Accordingly, we would respectfully request that you remove our names from any service list in connection with these two matters.

If you have any questions regarding this request, please feel free to contact me.

Very truly yours,

Thomas J. S. Waxter, III
